Employment Outlook Discussed By Babson

By ROGER W. BABSON
(Copyright—1950—Publishers Financial Bureau, Inc.)

WASHINGTON, D. C., Jan. 13.—The employment outlook for the next six months is good. There will be near peak employment

(jobs for 58,000,000) at high level wages, except for seasonal fluctuations. Economic activity in the next few months will be some 85 percent above pre-war levels. This means jobs. Depleted coal and steel stockpiles will be built up. Good employment effects will be felt all along the line by industries using steel. Rebuilding will be especially active in machinery and fabricated materials industries, with the automobile industry leading. Construction along home and industrial lines will hold up through the early part of 1950. Both the petroleum and rubber industries will recover somewhat from their respective slumps.

Other factors suggesting good employment are continued government spending, the expansion of credit and business loans, the continued stockpiling of people's savings (\$127 billions in government bonds and bank accounts), a price support program for agriculture, etc., and a continued demand for food products. All this is not symptomatic of another boom. Rather, it is the rebound from the '49 recession caused by the too drastic liquidation of inventories on the part of panicky businessmen.

The Downward Trend
We must, however, face the fact that we are in a downward cyclical trend. 1948 was the top year in terms of production, wages, profits and employment. Employment rose phenomenally from 52,800,000 in 1945 to 55,250,000 in 1946, and from 58,000,000 in 1947 to 59,378,000 in 1948. On the other hand, unemployment increased from 1,040,000 in 1945 to an average of 3,189,000 for the first half of 1949. Most economists believe three to four million is normal for a labor force of better than 60,000,000.

The net effect of recent strike settlements is to add substantially to companies' long-term overhead costs, thus reducing the financial margin to lower prices appreciably.

and thereby stimulate employment. This is one of the reasons why you will see competition stiffen sharply within many industries in the next few months. This is also why industrial production is likely to taper off in the second half of 1950 with resulting unemployment unless greater attention is given to sales.

Best Employment Opportunities

Best job opportunities for 1950 will be in the distribution field. Even with business off in 1949, the annual rate of savings in the first six months of '49 was \$16.6 billion as compared with \$8.8 billion in the corresponding period of 1948. The problem is how to coax these dollars forth. I predict that during 1950 companies will add greatly to advertising and sales budgets. They will build up their market research staffs; they will develop stronger sales promotional techniques. They will hire more efficient salesmen.

Another excellent area, especially for the college trained man, will be in the human relations areas of production. A potent factor in bringing business into a more favorable competitive position is the more effective utilization of human resources for the common good of both labor and

management. A third area young men should consider is work within the federal government. In the past 20 years government agencies have increased from 250 to nearly 2000 today, with corresponding increase in available jobs.

Spiritual Rebirth Needed

We can never have continued good times in this country until both labor and management are spiritually reborn. Each group must stop talking about its prerogatives and put into practice constructive ways of working together for their common security. This is the only way we shall escape national socialism. This is the only way we shall be able to maintain our free economy and thereby insure freedom for all.

U.C.T. Council To Meet Saturday

New Castle Council No. 408, United Commercial Travelers, will meet in the Cathedral Saturday evening at 8 o'clock.

The council is looking forward to a visitation from a group of grand officers, who will confer with W. R. Campbell, grand executive committeeman here, earlier in the day.

The council is now in the midst of a membership campaign, and has set as its slogan "Nifty in Fifty with 500".

Refreshments will be served at the close of the evening's meeting.

Hunt Gunman Who Killed Seaman

CHESTER, Pa., Jan. 13.—(INS)—Police launched a manhunt today for a gunman who shot an unemployed seaman in a crowded Chester bar room last night and fled during the ensuing excitement. The victim, Robert S. De Night, 33, of Chester, was killed almost instantly. Patrons said he was arguing with the gunman who suddenly whipped out a pistol and fired one shot point blank.

The bullet went through the victim's chest and broke a whiskey bottle behind the bar.

Fathers' Night At Oak Street P.T.A.

Rev. Calvin Rose Shows Film And Presents Facts Of War At P.T.A. Meeting

"Fathers' Night" was the program title for the regular meeting of the Oak Street Parent-Teachers association held at the school.

This was the night for the fathers of the school to entertain the group. The meeting was conducted by the first vice president, Ralph White, who opened the meeting with prayer and the singing of "America." Secretary for the evening, Clark Shumate, read the minutes, followed by the treasurer's report.

Room representation roll call was taken by Mrs. William McCullough, with the treat and banner award won by the first grade pupils, with Miss A. Dadds as teacher.

Mrs. John Susko, president, thanked all those who took such an active part in helping with the Christmas basket project. Only through the cooperation of everyone was it able to be the success it was.

A plan to earn a 48-cup coffee urn was presented by Mrs. Rhine Fabian. Mrs. Fabian would like to give this urn to the unit and asked the cooperation of the group in this project.

Will Back Plan
Mrs. Gail Borst then read recommendations, which were presented to the school board by Dr. Frank Burton, superintendent. An open discussion followed and it was decided to send a letter to the school board signed by the group, stating that they would back Dr. Burton and the board in any decisions which they may make. R. Fabian, G. Book, R. Loy and the executive board were asked to attend the school board meeting on January 11.

Members were told of the annual cake sale to be held in February. All money is sent to the P. T. A. headquarters to be used for scholarships for worthy persons in Pennsylvania.

Mrs. James McKee, program chairman, then introduced Rev. J. Calvin Rose, pastor of the Second United Presbyterian church, who spoke on "World Understanding." Pictures were shown of various countries he visited when attending the "World Council of Churches" at Amsterdam. The pictures were taken three years after the war, yet the majority of ruins still were standing and little clean-up had been done.

Rev. Rose told of his visit to Germany and seeing the Displaced Persons' camps, showing where 5,000 persons live in barracks formerly occupied by the German Gestapo.

Three Points
Hatred was the first point

stressed in his discussion. He stated, "We of the United States don't know real hatred such as was, and is, experienced in Europe. We have petty hatreds but they are nothing like what was felt in Europe during the war. This was displayed where mass slaughter was committed and is still shown by racial hatreds."

A second point was "fears," with Rev. Rose stating, "We have fears here... fears of another war and the atomic bomb, but we have never actually experienced the ravages of war. The experience of war has caused the Europeans to have deep-rooted fears, such as was caused by the disappearance of 90,000 Dutch boys, who were never heard of after being taken prisoners by the Germans."

"Uncertainty of Tomorrow" was the third point of discussion. "What does tomorrow hold for Europe?" said Rev. Rose. He told of visiting the village of Schlotweiss, which was built by 11,000-000 Displaced Persons. From the debris of war, they have built homes of such a poor condition that they would not begin to compare with the rudest hut in the U. S. Tuberculosis is highly prevalent in the village. In Germany he visited the boys' camp of Baviebel, which an ex-G. I. Carl Merrimans, started for homeless and orphan boys.

In conclusion, he stated, "We can help in world understanding by little things done here and there, perhaps a package or letter sent to someone overseas. These things, and not another war, may help to establish peace." Refreshments were served by the hospitality chairman, Gerald Book, assisted by R. Fabian, V. De-Cecco, T. E. Hartman, R. Kirkwood, J. Susko, Gail Borst and G. C. Taylor.

Farmers Will Save On New Fuel Tax

Department Will Reimburse Farmers In Liquid Fuels Tax Under 1949 Act

HARRISBURG, Jan. 13.—(INS)—Deputy Attorney General George W. Keitel informed revenue authorities of a state justice department ruling seeking to clarify reimbursements for farmers of liquid fuels taxes under a 1949 act.

The General Assembly approved the act in the hope of saving farmers a total of \$1,500,000 a year in taxes on gasoline used in farm production.

In an opinion addressed to Board of Finance and Revenue Secretary Elmer G. Graham, Keitel broadly included four categories of motorized farm equipment on which return of one-half of the state tax may be claimed. They are:

(1) Machinery such as tractors and combines used exclusively in

farm production. (2) Machinery used to power sprayers. (3) Machinery used to power sawmills. (4) Machinery providing power for farm equipment other than tractors and combines.

Farmers seeking reimbursements are not required to be the owner or operator of the farm on which the gasoline is used, according to the ruling. The department's opinion termed the act applicable to licensed or non-licensed combines and harvesters used exclusively for farm production.

Lewis Will Not Be Refired Is Union Attitude

By PHILLIPS J. PECK
(U.S. Staff Correspondent)

WASHINGTON, Jan. 13.—John L. Lewis will be president of the United Mine Workers as long as he lives.

That was the union's answer today to stories that Lewis will reach the UMW retirement age of 70 on February 12 and might possibly have to step out as president unless his own top aides decide to keep him.

In a statement just as terse as any that Lewis himself ever issued, the UMW Secretary-Treasurer John Owens said:

"John L. Lewis will be retained as president of the United Mine Workers of America as long as he lives and we hope that is forever."

Bonus Forms To Arrive Monday, Moffatt States

Gaston Post Will Be Ready To Assist Veterans In Filing Monday Morning

According to information received from Harrisburg today, application forms for the Pennsylvania state bonus, which was voted at the November election, will be sent out on Sunday and will be in the hands of the Perry S. Gaston Post on Monday morning, Commander Earl C. Moffatt states.

The post has made arrangements to assist the veterans in filing their forms and will have a staff of workers at the Legion Home Monday morning, under the direction of Gomer Emery, who has been named chairman of the project.

The local American Legion Post expects to have a staff of workers at the Legion Home for the purpose of aiding the veterans in filing their forms as long as the rush lasts. It is expected that the rush will last for at least two weeks, when the majority of applications will be filed. After that time the work will probably taper off.

The application forms are ready for distribution from Harrisburg now, it is understood, but will not be shipped out until Sunday so that they will be in the hands of all organizations which are preparing to assist with the task at the same time.

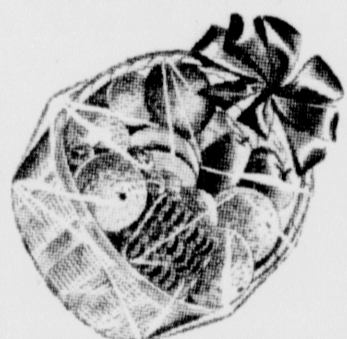

CAN'T SELL WHISKEY OR GIVE IT IN ZION

ZION, Ill., Jan. 13.—(INS)—It's against the law to sell whiskey in Zion and now city council has ruled you can't even give the stuff away.

The council last night amended the local option ordinance to make it unlawful to "give" as well as serve or sell intoxicating liquors of any kind. Fines of from \$5 to \$200 were provided for persons giving or accepting alcoholic drinks.

The amendment apparently stemmed from a merchant's recent gift of several cases of canned beer to his customers on the town's "hospitality night."

Disabled Persons Will Receive Aid

HARRISBURG, Jan. 13.—(INS)—The Pennsylvania Bureau of Rehabilitation approved vocational rehabilitation plans for 358 disabled persons last November, according to figures released by Secretary of Labor and Industry William H. Chestnut.

The number represents an increase of 39 per cent over a similar month last year, Chestnut said, and breaks down to an average of 20 each working day of the month. Chestnut said that the bureau's purpose is to help applicants acquire vocational qualifications which they lack or do not possess in sufficient degree to become adequately adjusted in employment.

W.C.T.U. Has Loyalty Day

Annual Loyalty Day Luncheon Program Presented On Thursday

DR. A. H. LEITCH
SPEAKER OF DAY

Challenging was the talk given by Dr. Addison H. Leitch at the Loyalty Day Luncheon Thursday afternoon, when Lawrence County W.C.T.U. gathered in First Christian church. Dr. Leitch, dean and professor of theology, Pittsburgh-Xenia Theological seminary, Pittsburgh, based part of his thoughts upon Pierre Van Passen's book, "That Day Alone."

In the abdication of the decent many of us lost by default through carelessness about voting and refusing to support the law. Public opinion is another factor in the abdication of the decent. We seem to carry the burden of the factor in the abdication of the decent. Dr. Leitch reminded the audience that we must fight our way back in the same steps we lost.

The speaker added that there is strength in fellowship in this day of fellowship of the concerned. We must be concerned about decency and order. Liquor helps immorality. Dr. Leitch also stressed the fact that we must be concerned about freedom, democracy and truth, especially about true repentance. The speaker closed by giving James 4:17 as the text for his talk.

Luncheon Is Served
Rev. A. D. Wenger, associate pastor of the host congregation, offered grace before the luncheon was served by the Bennett Bible class under the supervision of Mrs. Arthur Eckles. In behalf of Lawrence County W.C.T.U., Mrs. Floyd Worrell, county vice president, presented Mrs. Harry Glover, county treasurer, with an attractive corsage for her birthday. The group also sang "Happy Birthday."

Mrs. W. D. Warnock led in singing, while Mrs. E. A. McLure served as accompanist. Mrs. Leroy Book, soloist, offered "A Monastery Garden" and "My Task," with Mrs. Warnock as accompanist.

Mrs. Worrell, who presided, introduced Dr. Leitch, Mr. and Mrs. Jack Dunlap, Rev. Wenger and Rev. W. F. Holmes as guests. Mr. Dunlap has been assistant superintendent of the Training School at Morgantown while Rev. Holmes is pastor of Center U.P. church.

Mrs. Scott Kirk explained "The Legion of Truth" booklets, "Unkept Promise," which were distributed. Brief remarks were made by Rev. Wenger, Mrs. F. J. Fox, county president, who has been ill, was welcomed. Mrs. Fox stressed the importance of supporting the Langer Bill. Rev. Holmes offered the benediction.

Committees responsible for the successful function follow: decorations, Mrs. Fred Beck, Mrs. Scott Kirk and Mrs. Clarence Aiken; hostess, Mrs. W. W. McCullough, Mrs. Glenn Hennon and Mrs. Theodore McCreary; and registration, Miss Harriet Smith. Mrs. Kirk made the colorful place cards.

Executive Meeting
Mrs. Scott Munnell led devotions at the executive committee meeting in the church Thursday morning. Mrs. Worrell, who presided, asked the group to write to Senator Edwin S. Johnson, chairman of the Senate committee on interstate and foreign commerce, U. S. Senate, Washington, D. C., asking him to support the Langer Bill S1847 and the Bryson Bill HR2428.

Each union is to have a birthday party next month. Half of the proceeds is to be used in the work here, while the other part is to be sent to national headquarters. The centerpiece of flowers on the speakers' table was sent to Mrs. H. C. Stillings, of Central Union, who is ill.

Nomination Of Eberharter Has Been Withdrawn

WASHINGTON, Jan. 13.—(INS)—President Truman has withdrawn the nomination of Rep. Eberharter (D) Pa., to be federal judge for the western district of Pennsylvania.

Eberharter's nomination was sent to the senate last year and was still pending in the senate judiciary committee when congress adjourned in October. Under the law, the nomination must be resubmitted before it can be acted upon again.

Famous Jockey Is Found Dead

Cal Shilling, 68, Found
Frozen To Death Near
Deserted Belmont
Park

By HOWARD SIGMUND
(International News Service Sports Writer)

NEW YORK, Jan. 13.—Cal Shilling, one of America's greatest jockeys of all time—is dead.

The frozen body of the once famous rider was found yesterday under a horse van near the closed and virtually deserted Belmont race track.

The 68-year-old Shilling, who headed the list of all-time winning jockeys, had 98 cents in his shabby pants pockets.

Police surgeons attributed his death to natural causes and said that the body lay unnoticed near the van since last Saturday night.

Honor Too Late

The man who rode Worth to victory in the 1912 Kentucky Derby apparently succumbed to years of malnutrition, indifference and neglect, according to deputy medical examiner Edward McGoldrick of Nassau county.

A stale crust of bread was found on the seat of the van from which Shilling was believed to have fallen.

He never got a chance to see the Daily Racing Form's survey published Wednesday which listed jockeys' records for this century. It placed his name at the top of the list as the No. 1 American rider of all time.

Shilling enjoyed his heyday between 1904 and 1912. In that period he raced 3,838 times and hit an astounding win total of 25 per cent. During this period he took 969 first places, 631 seconds and 536 shows.

Moving Servicemen From Desks To Combat Units

By DARRELL GARWOOD
U. S. Staff Correspondent

WASHINGTON, Jan. 13.—The Defense department moved today to get servicemen from the chair to the regiment in an effort to absorb a 100,000-man cutback in overall strength without cutting military effectiveness.

The slash, as calculated in the Defense department, will result by the end of fiscal 1951 if the budget that President Truman has proposed to Congress is adopted.

Defense Secretary Johnson told a news conference he is confident there will be no "international repercussions" from the military cutback because "there isn't any cut in the over-all effectiveness." He said:

Take Men from Desks
"What we are doing is taking men from desks and putting them in combat units. We are returning the soldier to the regiment and the fighting man to the fighting unit."

Johnson, flanked by the secretaries of Army, Navy and Air Force and the joint chiefs of staff, held the news conference to explain the 13.5 billion dollar military budget now before Congress. The conference was enlivened by an exchange in which Air Secretary Symington contended that he supports the budget for a 48-group air force even though he believes 70 groups are the country's "minimum peacetime needs."

When a reporter asked "Does that mean that if the U. S. were attacked you wouldn't have enough planes?" Symington replied: "That is our belief."

Avoid Economic Disaster
Symington said, however, that he supports the budget because "an economic disaster could be the equivalent of a military disaster."

Johnson said "Secretary Symington is saying just what he thinks, because there is no gag in the Defense department."

The Defense secretary added that all the services wanted more money and that the budget would have been 20 billion dollars if the separate service recommendations had been accepted.

The Defense department's calculation of the military cutback was in the president's budget, because higher than the 40,000 men given in included cuts during December the president used estimated strength January 1—and also cuts to be made during fiscal 1951.

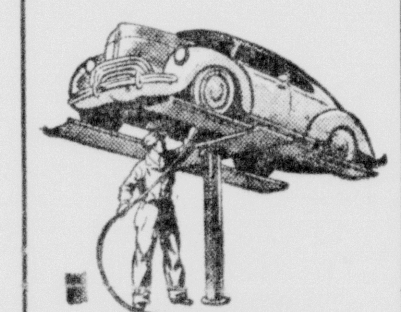

Navy Secretary Matthews revealed that the navy has been allocated an "average" strength of 461,000 for fiscal 1951 but will continue on the downgrade during the year and wind up with 446,000 men.

That would be a slash of 55,000.

Fine Progress Is Reported In Activities Of Local Congregation

One of the best attended, cooperative and future planning congregational meetings was held in St. Paul's Lutheran church, Jefferson and Grant streets, Rev. O. J. Warnath, pastor.

Various amendments to the constitution were read and adopted. Reports of pastor and various organizations of the church, spiritually and materially, revealed great advances over the previous year.

Fifty-two individuals were received into the membership of the congregation by baptism, confirmation, letter and renewal.

To Spend Millions On Concessions On New Turnpike

PITTSBURGH, Jan. 13.—(INS)
—Gulf Oil corporation will spend about four and a half million dollars on restaurant-gasoline station concession buildings to be erected on the western and eastern extensions of the Pennsylvania turnpike.

Gulf handed in the best bids for the concession, and presumably will be awarded the contract.

Eleven native Pennsylvania stone buildings, providing the latest improvements and facilities, will be built to take care of the millions of turnpike travelers each year.

A Gulf official described tentative plans that call for seven service station-restaurant combination

buildings on the east extension and four on the west.

Artists sketches for the 150-foot wide buildings provide the very latest in restaurant and service station equipment.

The buildings will be located in the east near Mechanicsburg, Highspire, Deodate, in the upper part of Lancaster county, Wealand, Sound in 1858.

Bowmansville and Valley Forge. Sites on the western end have not been selected.

Tifereth Israel Evening Program

Book Review Presented To Sisterhood Members: Baton And Dance Number Enjoyed

The January meeting of the Tifereth Israel Sisterhood was held at the Tifereth Israel Synagogue on South Jefferson street.

"America" was sung by the group, with Mrs. Maurice Slavovskiy at the piano, followed with prayer by Mrs. Irving Nickson. Mrs. Abe Cohen welcomed the group and the roll call of officers was taken.

Beautiful stage curtains were used for the first time. These are a gift from a group of women, and they added much to the attractiveness of the combination auditorium and dining room.

Special guests of the event were Mrs. Ben Mossell and her sister, Miss Helen Miller, newcomers to New Castle, and Mrs. Isaac Amster, a displaced person who came to New Castle. The Amster family consists of Mr. and Mrs. Isaac Amster and small son, Sammy, who live at 12 E. Long avenue.

Hostess chairman, Mrs. A. Shapiro, announced the following evening hostesses: Mrs. Milton Cushman, Mrs. David Koss, Mrs. Reuben Gillman, and Mrs. Henry Cohen. Mrs. Joseph Mirrow is in charge of the hostesses for late Friday evening services.

At the conclusion of the business meeting, Mrs. Cohen presented Mrs. Jules Lipschutz, program chairman, "God Bless Our Synagogue" was sung, and Mrs. Lipschutz presented Miss Maxine Paula Slavovskiy, "who," Mrs. Lipschutz said, "is the daughter of our honorary president and very active in entertaining various organizations of New Castle." Maxine pleased the audience with a military combination drum and baton number. She then did a selection with two lighted batons and lighted boots. The applause expressed the appreciation of the group.

Book Review

Mrs. Lipschutz then presented Mrs. L. F. Kohn, a member widely known for her work in many organizations, and book chairman of the Sisterhood. She gave a book review of "Shalom" (Peace) by Robert St. John. The story dealt with actual facts seen and witnessed by the author, telling of the trials and tribulations of the Jewish people during the past war. Mrs. Kohn held the attention of her audience, proving to be an excellent speaker.

At the conclusion of the program, Mrs. Lipschutz expressed her appreciation to Maxine and Mrs. Kohn for adding much to the evening's entertainment.

The singing of "Shalom Alethem" and "Hatikvah", with Mrs. Slavovskiy at the piano, closed the meeting. A delightful program has been arranged for the meeting of February 14.

Woman Accused Of Starting Fire At Davenport, Ia.

Issue Murder Warrant For Woman
who Escaped From Hos-
pital Holocaust

ROCK ISLAND, Ill., Jan. 13.—(INS)—State's Attorney Bernard J. Moran said Thursday afternoon that a 22-year-old woman patient admitted to him that she started the fire at the Mercy hospital mental ward in Davenport, Ia., in which 41 women perished.

Moran identified the woman as Mrs. Elnora Epperly of Rock Island who escaped from last Saturday's holocaust.

The state's attorney quoted Mrs. Epperly as saying she used a cigarette lighter to set some curtains afire at the hospital.

A murder warrant was issued against Mrs. Epperly who was arrested in Moline, Ill., after she and her husband, John, failed to appear as a witness in the investigation of the fire.

Moran quoted the woman as making the statement over the telephone after her husband informed the state's attorney's office that his wife had made the admission to him on her return home after the fire.

In nearby Davenport, Ia., Scott County Attorney Clark O. Filseth said he learned that Mrs. Epperly admitted to her husband that she started the fire "because she wanted to get out of the hospital" and go home to see him.

Mrs. Epperly had voluntarily entered the hospital a few weeks ago on the advice of a Davenport psychiatrist and was to have been released a day after the fire started.

Filseth said Mrs. Epperly told her husband that she escaped from the blazing hospital through a transom in the door of her room.

A search was started for Mrs. Epperly today when she and her husband failed to appear in Filseth's office for questioning in connection with the fire.

Mrs. Epperly, an attractive, brown-haired woman weighing less than 100 pounds, was to have been called as a witness in the investigation.

Filseth said he learned that the cigarette lighter had been given to Mrs. Epperly as a Christmas present.

New Oldsmobile On Display Saturday

Keystone Chevrolet Company, 210 West Washington Street, Will Show 1950 Models

Whirlaway hydra-matic drive features the 1950 Oldsmobile which goes on display Saturday at the showrooms of the Keystone Chevrolet Company, 210 West Washington street, and can be obtained on any of the 19 models of new Olds at slight extra cost.

For purchasers who do not order the new drive, Oldsmobile is making available two synchro-mech transmissions as standard equipment, one for "Rocket" eight cars and one for series "76" cars.

In addition to the new drive offered by the company, buyers will observe the new low price for series "88" models, a completely restyled series "98", offering of a holiday coupe steel top convertible and a smart new interpretation of Oldsmobile's traditional clean-line futuristic styling given to each of the three new 1950 series.

All models being offered by Olds are distinctively different from prior models making them distinguishable from the older editions. For instance, the larger series "98" is recognized instantly by flowing contour panels with the larger panels carrying the line of the front fender in a graceful wave, back through the tonneau sides, doors, and into high arching rear fenders.

Comfort, luxury and roominess have been incorporated in Oldsmobile's 1950 bodies of the "Futuramic" fleet. All the new features of the powerful 1950 models may be seen at the Keystone Chevrolet showrooms where a number of the models will be displayed Saturday.

Chapter Youth Has Installation

Grand Deputy Joseph Zagami Presides; Talks On Club's Welfare Are Heard

Chapter of Youth club No. 48 held its installation of officers on Wednesday evening in the Morton street club rooms, with Joseph Zagami, grand deputy, in charge. Paul Failla, as herald, was the aide.

The new officers who assumed positions were: president, Mrs. Lucy DeCaprio; vice-president, Oscar Fornataro; ex-president, Harry Valentino; orator, Georgia Fornataro; treasurer, Ida Ross; secretary, Joseph Vanasco; financial secretary, Ross Vanasco; masters of ceremonies, Lucille Gaydos and Pete Gallo; trustees, Paul Failla, Fred Gallo, Charles Glorioso, Gregory Ross, Dom DeCaprio and Chester Fusco; sentinel, Philip Pizzitola.

Talks on the govt and welfare of the order were given by Joseph Zagami and Paul Failla. The door prize was captured by the latter. Dainty refreshments were served later.

A trustee meeting is scheduled for January 18 at 7:30 o'clock. The meeting has been changed from the second Wednesday of the month to the fourth Wednesday.

January 25 is the next meeting in the club rooms. Hostesses will be Ann Turco, Ida Ross and Mary Gallo.

Try And Stop Me

By BENNETT CERF

A publication called the Wolf Magazine of Letters specializes in reproducing unusual missives of every description. The following, sent by a postmaster in a remote Kentucky hamlet to a customer of the U. S. mails in Dover, Delaware, was more unusual than most:

Dear Sir: The next time you send toads thru this post office, please see that they are not only wrapped securely, but carry sufficient postage to cover possible additions to the merchandise in transit.

I don't know how many of the darned things you mailed originally, but when the package burst this morning there were fifteen. Our Mr. Denny, who spent the day catching flies for them, has developed warts.

If you ever tried to run a cancellation machine, you will realize the difficulty we had trying to

stamp your toads. Every time we tried to cancel one, he jumped into the money order department. This place sounded more like a mill pond than a post office.

Please remit 28 cents postage due, and you'd better add 10 cents for a bottle of wart-remover for our Mr. Denny. I won't charge you a cent for handling because I'm going to try one of the toads for bass fishing this Saturday. Respectfully,

Farrell Man Is Facing Charge In Store Holdup

SWISSVALE, Pa., Jan. 13.—(INS)—Joseph B. Babich, 30, of Farrell, Pa., and Charles Biehl, 36, of Swissvale were being held by Swissvale police today following the alleged super-market holdup which police said netted them \$69. Police said that a few minutes

after the holdup, the pair was captured and that Babich tried to shoot his way free. Patrolman Michael McGurk moved just a little faster than Babich could shoot, however, and seized the gun barrel. The bullet narrowly missed the gunman, police said. The pair was charged with armed robbery.

Seek To Solve Disappearance Of Lancaster Girl

LANCASTER, Pa., Jan. 13.—(INS)—State and city police plugged away today to solve the mysterious disappearance of pretty Marion Baker, 21-year-old Frank-

lin and Marshall college employee. Lancaster Detective Capt. John Kirchner said police had to be cautious in their statements but admitted they not only were "baffled but baffled".

Miss Baker, who announced her engagement during the Christmas holidays, dropped from sight Tues-

day afternoon and police immediately suspected foul play.

A check of empty buildings and vacant lots in the Lancaster area was fruitless, Kirchner said.

He expressed the belief that she entered an automobile shortly after leaving the city post office

where she mailed a letter. Prior to the post office visit she banked \$75 for the college.

Court House

Jail Population Is High In 1949

Superior Court Upholds Views of Local Court In Club Liquor Licenses

OTHER EVENTS IN COURT HOUSE

The Lawrence county jail seemed to be a popular spot in 1949. County Controller Andrew M. Dodds has completed a report of the number of prisoners and prisoner days and it seems to lead any other year in the past ten. There were 1121 prisoners in the jail during the year for a total of 10,207 days. At seventy five cents per day for feeding the prisoners the cost to the county was \$765.25. Of the 1121 prisoners, 1079 were men and 42 were women.

CLUB LIQUOR RULING

After many years of waiting for clarification of the status of clubs in the matter of liquor licenses, the State Superior Court has handed down a decision.

The Superior Court (Judge William E. Hirt writing the decision) has ruled that clubs are within the quota law and thus no club can be given a license if the quota is full.

The decision came in the case of the Goodwill Fire Company of Bethlehem, in Lehigh county. The club contended that it was entitled to a license because it served liquor and other alcoholic beverages to members upon the premises. The Liquor Control Board ruled that clubs were within the quota. The Superior Court has ruled that the Board was right.

The ruling upholds the view of Judges W. Walter Brahm and John G. Lamoree in Lawrence county. They have held consistently that clubs were within the quota act and hence not entitled to a license in this county.

Some courts in other counties have held clubs were not in the quota act and have granted licenses over the protest of the Liquor Control Board. What happens to such club licenses now is a question.

The ruling means that no club in Lawrence county will get a license here for many years. Lawrence

county is slightly above its quota now and has been.

Nominations Are Made By Truman

WASHINGTON, Jan. 13.—(INS)

President Truman on Thursday nominated James Michael McInerney, of New York, to be assistant attorney general.

The president also nominated John A. Marzall, of Illinois, as commissioner of patents. He is now serving in that post under a recess appointment.

The president also nominated Maj. Gen. P. T. Hill to be quartermaster general of the Marine Corps.

McInerney will be in charge of the criminal division. He succeeds Alex Campbell who resigned from the Justice department to run for the Senate from Indiana.

East Brook Invades Wampum For Big Game

Tonight its Wampum and East Brook in the most important Section 24 basketball game to be played to date.

The winner will be in undisputed first place in the county Class B circuit, be undefeated in league competition, and will have the inside track for a shot at the WPIAL playoffs.

East Brook Eagles, coached by Glenn Matthews, are currently one-half game ahead of the high scoring Indians in the league standing. East Brook opened with a 37 to 28 win over Bessemer, then downed Union 44-24, and clawed Shenango 55-19.

Eagles Have Height

Height and experience have been East Brook's main forte to date. The Eagles have been able to control the bankboards in all their games to date and have almost an entire varsity back from last season.

Rud Mayberry, big senior center, has led the leaders in scoring. He has registered 37 markers in three loop tilts after being handicapped by a back injury in pre-league play. Mayberry hooped in 15 against Bessemer in the opener and laced 14 last Tuesday against Shenango.

Bob Smith is another scoring favorite who has amassed 26 tallies in his last two times out. Bill Pontius, guard, is generally considered to be one of the best floor men in the league.

East Brook has not had a winning team too often in the past few seasons and this year's crew has really caught the imagination of the fans. The whole town will be rooting for that important win tonight.

The Indians of Wampum have played one less league game and therefore trail East Brook in the standing. On the strength of its two games to date, the Hennon crew is definitely one of the teams to beat for any title aspirant. Wampum scalped Shenango 77 to 57, and then massacred Union 63 to 49. A pre-loop record of two and seven was in no way indicative of the true strength of Hennon's team.

Schena Scores

Don Schena, Albert Armotario and Caesar Craine spark the savvy Indians. Schena, a 5-7, one-handed set artist has swished 51 points in two contests. Armotario has 34 and Craine 26. Craine is over the 6-foot mark and a good rebound man. It will be the duty of the sophomore center to match the height of the "big boys" from East Brook.

In other important league action slated for tonight, Shenango travels to Bessemer to renew an old football rivalry and perhaps settle the score for an early-fall drubbing.

FEATURE AT SEVEN

Wampum and East Brook varities will clash tonight at seven o'clock and the reserve game between the two schools will follow.

Wampum Coach L. Butler Hennon said this morning that atmospheric conditions made this move necessary so that the floor would be in the best possible condition for the important match between the league leaders.

An eccentricity of the Indian wigwam makes the floor gather moisture and become very slippery in humid weather.

at the hands of the Cementers. A loss will just about eliminate either team from further title consideration.

Union also needs a win tonight to stay in the running. The Scotties are fully competent to pull some upsets and Mt. Jackson may well be the victim. Union has the home floor advantage as well as the edge in height. The Mounties however are a fast developing ball club.

New Wilmington will be idle in sectional play.

sport. In New Castle the high school team is hardly more than the football season and the time to get out of doors in the spring. If there was that interest here people could not get in to see the games.

The gym facilities are not only inadequate from a spectators point of view but for players and coaches also. The Washington gym is several blocks from senior high school. Practice has to be held at different hours in order to accommodate the junior high team as well as the gym classes at that school.

A large gym of field house at or near senior high school, the hiring of a coach who is a specialist in basketball, and a sincere expression of desire to develop winning teams here, plus two or three years on the program, would be the best tonic to

develop an incentive to play ball in the part of the boys, would soon establish that winning tradition and make amends to New Castle senior high school's biggest shortcoming in the field of sports.

Portuguez-Young Battle Tonight

NEW YORK, Jan. 13.—(INS)—Tuzo "Kid" Portuguez, fast-punching Central American middleweight champion, meets Paddy Young of Greenwich Village tonight in a ten-round bout at Madison Square Garden.

Tuzo will be facing his third and stiffest test in this country. Young, who is substituting for Steve Belloise, has won 12 straight and is a sharp puncher.

Ezzard Charles Receives Award

NEW YORK, Jan. 13.—(INS)—Ezzard Charles received the Edward J. Neil Memorial Award last night as the outstanding boxer of 1949 at the twelfth annual dinner of the New York Boxing Writers' Association.

The NBA heavyweight champion was presented the trophy before more than 350 ring notables at the Waldorf-Astoria hotel.

NBA Commissioner Abe J. Greene was the recipient of the James J. Walker Memorial Award for meritorious service to boxing over a long period of time.

International News Service Sports Writer Bill Corum, Referee Ruby Goldstein and former manager Jim "Bowtie" Bronson were

awarded gold watches for their contributions to the sport. Detroit welterweight Lester Feltton received Ring Magazine's award as the fighter who made the most progress in 1949.

Minor Leaguers Keep Bonus Rule

COLUMBUS, O., Jan. 13.—(INS)—The Minor league baseball leagues, in a bit of a rut, voted for the second time in a month today to keep the present bonus rule.

National Association President George Trautman announced that, although a number of the Minor leagues voted differently in the mail ballot than they did at the association's big pow-wow in December, the mail total showed only a change of one vote from for to against the bonus.

Hank A.C. Defeats North Side 61-38

Hank A. C. held on to its lead in the District Basketball league last night when it defeated the

North Side, of Ellwood City, 61-38 at the Shelby floor.

Kerr and Gray were high scorers for Hank's with 19 points between them. Ellyson and Gillespie paced the North Side with 13 and 10 points respectively.

The Hank's now have a 5-0 record in league play.

Acheson Blames China Collapse On Chiang Kai-Shek

BY JOHN A. REICHMANN
(U. S. Staff Correspondent)

WASHINGTON, Jan. 13.—Secretary of State Acheson on Thursday laid the blame for the collapse of the Chinese Nationalist government squarely on the "bungling" of Generalissimo Chiang Kai-Shek.

Striking back at his critics on Far Eastern policy before a luncheon at the National Press Club, Acheson said they should "stop looking under the chair, under the bed and under the rug" for reasons for the collapse of Chiang's regime.

He noted that some critics have said that United States aid was "insincere" that a certain general didn't like Chiang, therefore influencing U. S. policy, or that the women had too much hand in the Nationalist regime. He said:

"The Nationalist government fell because it was confronted by an overwhelming military force."

Was in Strong Position
"Chiang emerged from the war in a strong position. He had overwhelming military power, more than any force in the history of China."

"He had the recognition and support of all countries including Russia, which is open to question but in any event immaterial."

"This support melted on him. Now he's a refugee on a small island off the China coast with the remnants of his forces."

"What happened, in my judgement, was that the patience of the Chinese people finally wore out. They completely withdrew their support from the government."

Several of Acheson's severest congressional critics were in the Press Club audience as the secretary gave a lengthy explanation of the administration's position in the Far East.

Acheson's remarks were made with the obvious intent of answering Capitol Hill criticism which increased following his appearance before Senate and House foreign committees Wednesday and Thursday.
